## ABOUT THE CAMP

The camps are designed to give each athlete an informative introduction into each camp discipline. All athletes are welcomed whether beginners, intermediate, or advanced, each will receive instruction appropriate to their current abilities. The focus of the camps is to increase the athletes understanding of their events, bringing them to a new level of technical proficiency by learning principles that progress physical conditioning enabling greater distances thrown. The camp is about giving each athlete an enjoyable experience by mixing hard work with fun and creating a positive competitive environment.

The syllabus for the camp focuses on;

- Demonstrations by technically proficient athletes
- Basic progressions for technical development
- Drills for skill acquisition and learning
- Fitness and conditioning for the events
- Strength development, both general and specific
- competition strategies, and how to develop a warm up
